EXPERIENCE

- 2012-2021 *H. McGill Illustration*
Clients: Scholastic, Little Bee Books, Working Partners LLC, Houghton Mifflin & Harcourt, Google, Disney, Oracle, Drexel University, Oklahoma State University, New Mexico State University, various startups

Small Press Projects include the *RAWR! Dinosaur Friends* webcomic/digital painting series, and an upcoming historically-informed graphic novel called *Warlock'd*.

- 2018-2021 *Scholastic*
I re-letter the popular Dog Man graphic novel series and its spinoff, Cat Kid Comics Club, into Spanish. I convert the hand-lettering to editable InDesign format fit for printing. I have re-lettered eight books for Scholastic, totaling 1700+ pages.
- 2020-2021 *Little Bee Books*
I create, maintain, and implement a lettering styleguide for the Archie Riverdale Diaries Mid-Grade Graphic Novel series. It's formatted for maximum editability.
- 2012-2018 *Houghton Mifflin & Harcourt, Google, Disney, Oracle, et al.*
Original art asset creation and design for electronic and print media, mostly STEM and education-focused. Various handling of original content creation, official licenses (Marvel, Disney's *Planes*, *Doc McStuffins*, *Sofia the First*), and iconography work.
